Master in Economic Research - CERGE-EI (Prague, Czech Republic)

The Center for Economic Research and Graduate Education (CERGE-EI) located in Prague, Czech Republic, invites students to the 2nd application round for the Master in Economic Research. The application deadline is August 23, 2025.

Master in Economic Research is a 2-year full-time program that combines courses in economics, data science, and public policy. The curriculum provides students with useful and readily applicable knowledge of how the economy works, equipping them with both hard skills (e.g., Python and R coding) and soft skills (e.g., professional writing and presentation). The aim of this program is to prepare students for careers in analytical teams at government organizations, as data

scientists in NGOs, and in consulting firms. Graduates receive a Czech degree fully accredited by Charles University.
